Key Highlights	<ul style="list-style-type: none"> • Thematic Storytelling & Readers' Advisory The library has a thematic storytelling session every 3rd Wednesday of the month. Children can enjoy stories and activities during these sessions conducted by librarians on themes such as folk tales, friendship and festivals. During this time, parents and children can also approach the librarians for enquiries related to books and recommended reads. • Children's Area The children's section is specially zoned into three areas. The Babies & Toddlers Section, designed with low-seating and tactile furniture, features the Early Literacy Collection, a collection that focuses on five key areas – playing, talking, singing, reading and writing – which are vital to children's learning and development. The Young Readers Area, designed for older children aged 7 to 9 years, features children's Interactive Digital Storytelling Kiosks which serve to bridge the digital divide and allows all children to access the TumbleBook Library and experience the use of the library's eResources. The Reading Deck features an open seating area for parents and children. It can also host storytelling and other programmes which parents can comfortably join in with their children.
