Library Etiquette & Safety Precautions

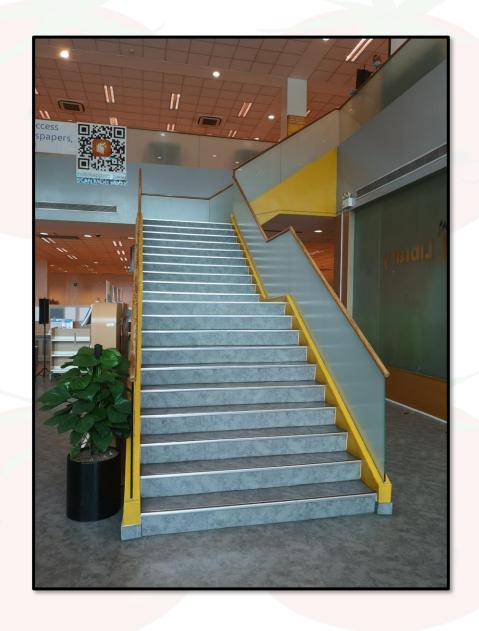

I must be careful when I'm using library books or other library items.

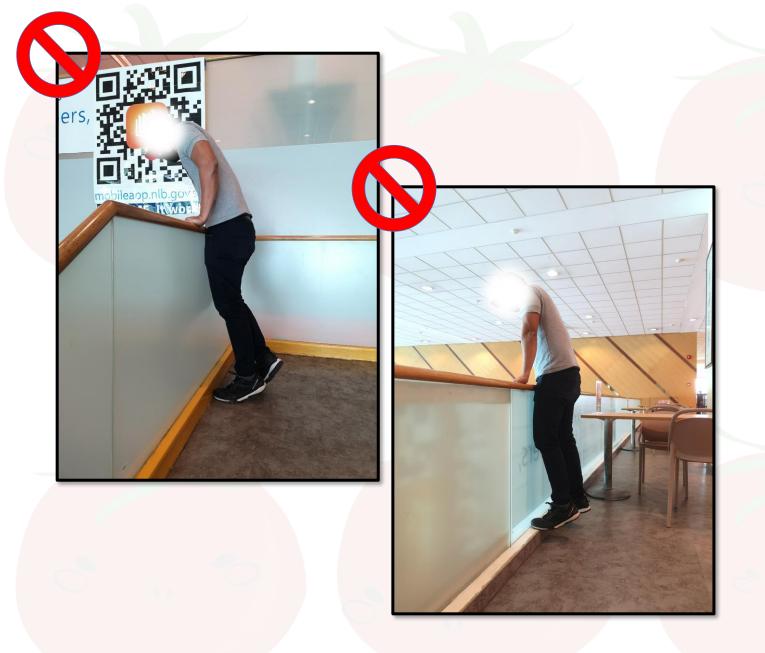

I cannot tear, fold or step on books because they will be damaged.

Everyone can enjoy the books only if they are not damaged!

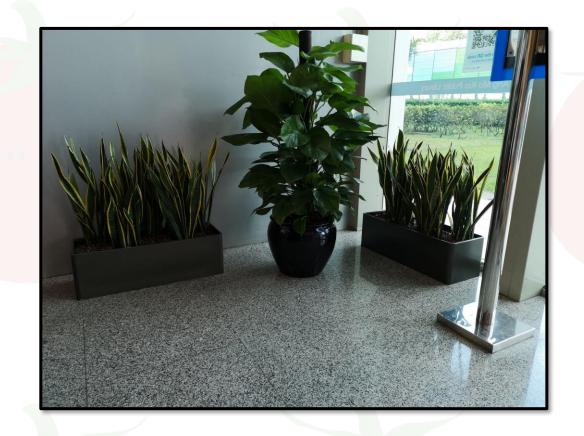

I must not play on the staircase.

I do not want to fall from the staircase and injured myself.

I must not lean over the railings.

I do not want to lose my balance while leaning over the railing and fall down.

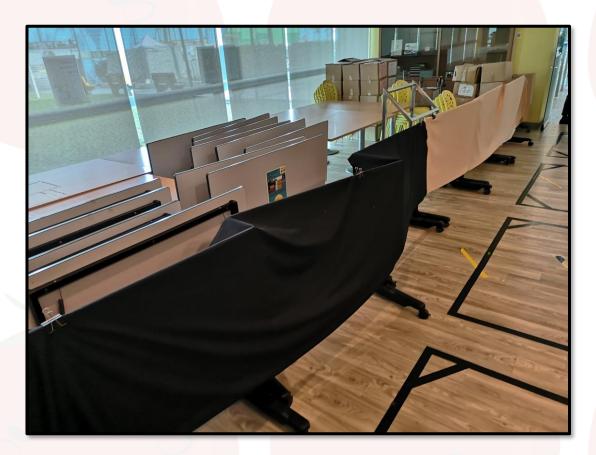

There will be potted plants like these all over the library.

I shall not play with them or push them over.

If I push the plants, they may topple over and I may break the plant.

I do not want to fall and cut myself on the broken pot pieces.

I will not enter in these areas that is cordoned off.

If I enter, I may topple over any furniture and may injured myself.

If I browse magazines, I must pull up the drawer slowly and carefully.

I do not want my finger to get caught between the drawers because it will be very painful.

These are **Mess Up Trolley**.

They are located at Level 1 and Level 2.

If I decided to not borrow the books, I can place it here.

I will not play or, push the trolley around because, I may hurt myself or someone else.

I will not touch the barriers.

I will follow the instructions if there are any.

This way, people will not trip on them or become confused about where to go.

If I have selected my books, I will queue and wait for my turn to

borrow my books.
