COLLECTION HIGHLIGHTS

Clementi Public Library has a total collection size of 169,326 books, magazines and audio-visual items. The collection includes items from the Adult, Young People and Children's collections and covers a broad range of subjects. All items in the library can be loaned out by library members.

LIBRARY HISTORY

Clementi Public Library was officially opened on 23 April 2011 by Mr Lim Hng Kiang, Minister for Trade and Industry and Advisor for West Coast GRC. It is located on the fifth floor of The Clementi Mall, a transport epicenter that links directly to the Clementi MRT station and the Clementi Bus Interchange.

Having a library in Clementi is part of NLB's plan to make libraries more accessible to our users. Clementi Public Library is the 11th NLB library to open in a shopping mall.

INTERESTING FACTS

- Clementi Public Library is the first public library in Singapore to introduce the Mystery Brown Bag Service for the lunch time crowd.
- The Digital Interactive Storytelling Kiosk is also the first digital storytelling kiosk introduced at the public library.
