Date:

For Nominees to fill in:

I am interested to help NLS develop its collections in ONE of the following subject areas
(please select one ☒):

- ☐ World War II literature related to Singapore, Malaya and the region
- ☐ Business or industry history such as architecture, maritime, and entertainment history in Singapore and Malaya.
- ☐ Art and artists in Malaya pre-independence with a particular emphasis on minority communities

- 1. Please elaborate on your chosen collection topic, and summarise your relevant experience.**

2. **Brief summary of the proposed method to develop the collections and foster networks.**

3. **Brief summary of the proposed schedule of work and time frame; including number of days spent onsite at the National Library (in Singapore) during the course of work.**

4. **Brief summary of the method /approach to be used to facilitate and impart skills/knowledge transfer to librarians.**

5. **A brief write-up of similar collection development projects in the past and references, if any.**

To be valid, this form must be accompanied by the following:

- 1. Curriculum Vitae that includes the following information:**

- a. *Details of any awards or relevant appointments previously or currently held.*
- b. *Details of professional seminars/conference papers/public lectures presented.*
- c. *List of major publications written.*

- 2. A Reference from your Nominator, which should address the following:**

- a. *Your qualifications, ability and experience.*
- b. *The quality of your previous work.*
- c. *Your demonstrated capacity to complete projects within a reasonable time frame.*
