

Code of Conduct

Be gracious

This is our library where we read and learn together

Libraries are public and shared spaces.

Share seats, power points, and all library resources.

Sleep at home, not in the library.

Eat and drink only in designated areas.

Be considerate.

Treat everyone with courtesy and respect.

We will act against any abuse or harassment of our staff or patrons.

Take care of your belongings.

We may remove unattended items.

Libraries are quiet spaces.

Speak softly.

Take calls outside the library.

Keep electronic devices silent.

Public disturbances will not be tolerated.

The relevant authorities will be engaged.

Thank you.
