

Annex B – About NLB30

NLB celebrates 30 years of bringing enriching experiences in reading, learning and discovery to everyone! Since June 2025, NLB has been hosting a series of events known as **NLB30** that celebrates its community, partners and volunteers and marks 30 years and beyond of empowering Singaporeans to read, learn and discover together. NLB30 will also invite Singaporeans to explore what the future of libraries and archives in Singapore could be.

Expect NLB30 initiatives throughout the year, each designed to inspire, educate, and connect the community through the power of books, learning, and shared experiences. Through the initiatives, NLB will bring together staff, alumni, volunteers, partners and supporters to commemorate NLB's journey and celebrate its achievements.

Under the theme of discovery, these events encompass a variety of showcases and events designed to inspire, inform, and engage the community. This includes a special edition of the biennial Read! Fest called READ30 and a Presidential Pop-Up Library, which took place from July to September 2025, the SG60 Heart&Soul Experience, among others. The annual celebration of NLB's birthday, Love Our Libraries and Archives (LOLA), will also be elevated this year to be a signature SG60 programme.

For more information on NLB30 events, visit: <https://www.nlb.gov.sg/main/about-us/nlb30>.

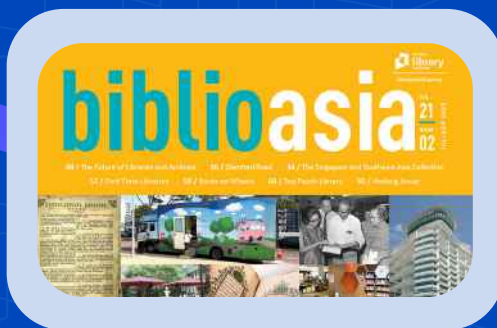

nlb turns 30!

1. Book Bugs*
