Oh your lovely eyes, I feel I know them well.
Let me look into them and fall right under
their spell.

You are such a pretty cutie
I can't tell you, tutti frutti,
All the things you're doing to me.

Honey, honey, sugar's not as sweet
Oh, my papadam, you're good enough to eat.
Mama, mama, you are such a tease.
Oh, my harm cheen pang, can

Won't you come and give your Mustapha a

Onde-onde, can I quench your thirst?
But to take a sip, you have to catch me first!
