

Title : HOT CHILLI PADI NIGHT OUT!
Composer : Geraldine Png & Bert Lindsey
Lyricist : Geraldine Png & Bert Lindsey

(Verse 1)

My friends and I going out tonight
We are on the hunt, it's a chilli night
The stars are all out, oh so bright
It's a chilli night

Looking for the best best money can buy
No matter how far it is, must try try
Bus, train, taxi, walk, rain, shine
We will find, put um to the test
Gotta find the best best

(Chorus)

Some like it hot, we like it real hot
That hits the spot, never too much
Always just enough

East west north south, we look for hot spots
High low on our merry way we go
Little girls night out spicy hot
Chilli hot tonight it's all right
Tonight spicy hot it's alright

(Verse 2)

One time we met on an old road
A very cold road on a chilli night
A silly run we did it all for fun
Aunty say the cough will go away
So I could not go I stayed home alone
The very next day, the cough went away
We were all out again with a few more friends
Pack pack pack pack we'll tale it to go

(Verse 3)

Can you eat or not
Kopitiam! It's on our way
Beef noodle, nasi padang, fried kway teow
best buy buy, better try try

belachan chilli, my chilli of choice
with a dash of lime
chop sticks fork spoon
bare fingers too
use whichever you got to
