

Title : My Singapore Story

Composer : Jeremy Monteiro

Lyricist : Jim Aitchison

Born in your sunshine
Cooled by your rain
The green of your morning
When the day dawns again
You are my story,
My Singapore story,
My heart and my homeland
Forever you'll be

I've crossed the wide oceans
And your light still shines through.
It's then I remember
What my heart always knew.
You are my story,
My Singapore story,
My heart and my homeland
The whole world can see.....

Chorus

My Singapore Story
I'll write it with pride,
Though words cannot tell you
What I'm feeling inside
My Singapore story,
I'll tell it with pride
Singapore story,
It's yours and mine

Interlude

Your light fills my pages
Wherever I go,
I've a story to tell,
The whole world will know.....

Chorus 2

My Singapore Story
I'll write it with pride,
Though words cannot tell you
What I'm feeling inside

My Singapore story,
I'll tell it with pride
Singapore story,
It's yours and mine.....
Singapore story,
It's yours and mine.....
Singapore story,
It's yours and mine.....
