

Title : Baby Baby

Composer : Terry Lee

Lyricist : Terry Lee

Terry Lee rap

Verse

Baby your're beautiful and I can't explain
The way you make me feel inside it's like woah
You got me acting strange crazy doing things
If the beat stops I still wanna sing
Bet you're wondering what I want baby
Give me a sign and show me its on
Let me know baby what you want from me
I'll put it on you girl like it should

Chorus

Baby baby girl, you're so damn off the hizzo for sure
Baby baby girl, I'm so damn for shizzo you know
I can't help fallin in love with you

Verse

This isn't new to you, oh I've been here before
But I'd like to know if you're down
This isn't new but cool, its all on you so boo
Come on and run with me
Bet your wondering what I want baby
Give me a sign and show me its on
Let me know baby what you want from me
I'll put it on you girl just like it should

Chorus

Baby you know my love's alright
Baby you know I'll keep it tight
Cause you are the one
