

Title: Touch Those Hearts

Composer: Lim Guan Ying (Chung Cheng High School (Main))

Lyricist: Lim Guan Ying (Chung Cheng High School (Main))

Verse 1

A nation of kindness starts with one
It only needs to start with one
Singapore,
An island nation
Is the very place we begin from
Go to work on a crowded train
Give up your seat to those in need
Let them feel,
The warmth of your heart
Lift their souls up by doing your part

Chorus

Hands help you up when you have had a fall
Hands wipe the tears from your pretty face
Hands like our hearts, show kindness best when open
So touch those hearts by giving them a hand

Verse 2

Help a blind man cross the street
Let the light in you show him the way
Feel his thanks,
For that small kindness
It just takes one to brighten his day
On the streets amidst pouring rain
A lost child is shivering in the cold
Let him feel,
The touch of your hand
Guiding him back to where he calls home

Chorus

Hands help you up when you have had a fall
