Verse 1

As I look around I see
How far this city has come
We'll start small, we'll work together
One action, it'll spread like fire
Soon we'll see that others will
Follow suit
Let's make the city a better place

Pre-chorus

But it all starts with me~~

1st Chorus

We can make a difference
With a little kindness
Just one simple action
Goes a very long way
Lend a helping hand to those who are in need
Spreads a little cheer

Verse 2

We all know it's hard to start
But we have to try
From giving up your seat to those in need
To help a blind man cross the street
To making someone's day
Soon we'll see
A city that's a better place

Pre-chorus

1st Chorus

2nd Chorus

We can make a difference
With a little cheerfulness
And a little kindness
Not forgetting helpfulness
What goes around and comes around,
And a new friend is found

1st Chorus

2nd Chorus
Spreads a little joy
