

Title : Rentak JOGET with the Song, “Joget Hitam Manis”

Composer : -

Lyricist : -

Sungguh hitam si buah manggis
Manis pula rasa isinya
Walau hitam ku pandang manis
Manis pula budi bahasanya
Hitamlah hitam si tampuk manggis
Walaupun hitam dipandang manis
Hitamlah hitam si gula Jawa
Walaupun hitam manis orangnya
Kiri jalan kanan pun jalan
Ditengah- tengah pohon melati
Kirim jangan pesan pun jangan
Kaulah rindu datang sendiri
Hitamlah hitam si gula Jawa
Walaupun hitam manis orangnya

Translation

The mangosteen fruit is black
The flesh tastes sweet
Even though tanned, I find you sweet
Pleasant and polite
The mangosteen is black
Even though you are tanned, you look sweet
Java sugar is black
Even though you are tanned, you are such a sweet person
The left move, the right should move as well
In the middle of jasmine plant
Do not send or relay a message
If you miss, then come personally
Java sugar is black
Even though you are tanned, you are such a sweet person
