

**Title : Maybe I'm Naive**

**Composer :**

**Lyricist :**

Maybe I'm naive, maybe I don't know much  
Maybe you think I'm a fool just to trust  
I may look foolish thinking that God can do  
Everything great men on earth dare not to

**Chorus:**

My Lord, my Saviour  
My Life, my Redeemer  
My Lord, my Master, I just pray  
Pray to simply trust and obey

Maybe I'm simple, maybe I don't think much  
But you know somehow my trust is enough  
To bring me through rough times, bring me through all my strife.  
Trusting Him, soothing my hurt when I cry

**(Repeat Chorus twice)**

Maybe I'm naive, maybe I trust too much  
Maybe that's what life is just all about  
Well, perhaps someday when you know Jesus Christ  
He will make trusting the difference in life

**(Repeat Chorus)**

Maybe I'm naive, maybe I'm naive  
Frankly, I'd rather be naive
