Composer : Dick Lee

Lyricist: Dick Lee

Hey ni ni ni ni ni ni ni wonderful
Oh wo wo wo wo wo wo wo
I love you
No matter what I do dear
I always think of you dear
But never know if you think of me
Hey ni ni ni ni ni ni ni wonderful
Oh wo wo wo wo wo wo
I love you
I always dream about you
I just can't live without you
But never know if you're in love with me.

Whenever you need me
I hurry come to you I won't be late
But next time you need me
I say I have another date!

Hey ni ni ni ni ni ni ni ni wonderful
Oh wo wo wo wo wo wo
I love you
Next time, I, I be clever
And let you wait forever
And then I know if you're in love with me
