Verse 1

Come on everyone let's share a smile  
You and I can make this a happier place  
Show some acts of kindness  
Bring some happiness  
Join me and make this happen

Chorus

Let's be nice, to people all around us  
Let's be kind, and show your caring heart  
Let's go the extra mile and meet someone's needs  
So decide today, to make it happen

Verse 2

Come on everyone let's look around  
There's bound to be someone we can help  
Show some acts of kindness  
Bring some happiness  
Join me and make this happen

Chorus

Let's go the extra mile and meet someone's needs  
So decide today, to make it happen
