Tajuk Johor Tanjung Puteri  
Selat Tebrau airnya biru  
Di Pantai Lido tepian mandi  
Sepanjang masa di hari minggu  
Atas bukit Tanjung Puteri  
Taman hiburan indah berseri  
Pemandangan menawan hati  
Jalan tambak hubungan negeri  
[Chorus]

Tanjung Sekijang nun di kuala  
Tempat nelayan mengail gelama  
Istana Hinggap di Kuala Danga  
Pantai berkelah keluarga di Raja  
Dari Tebrau orang berakit  
Singgah Stulang membeli kopi  
Pusara Si Bongkok di lereng bukit  
Di tepi pantai Tanjung Puteri

#### **Translation**

The Title Johor Tanjung Puteri  
The water of Straits of Tebrau is blue  
Bathe on the shore of Lido Beach  
Throughout the weekend  
On the hill of Tanjung Puteri  
Beautiful parks are radiant  
Captivating views  
Bridging countries  
[Chorus]

The land of Sekijang in the estuary  
Where the fisherman fish 'gelama'  
The palace in Kuala Danga  
Picnic grounds for the royalty  
From Tebrau people raft  
Stopover at Stulang to buy coffee  
Bongkok Cemetery on a hillside  
By the Tanjung Puteri beach
