

Title : La Di Da

Composer : Leon Lim / Adrian Loo

Lyricist : Leon Lim / Adrian Loo

Where are these roads?
I can't take them home
Why take these roads
When they don't bring me home?

The road brought me to the sea
Where I thought of you
Then blue waves spoke to me
And my spirit flew

Why find a way back home
When you are not there?
I never have to be alone
You're everywhere

I may not understand
But I'll take your hand
You don't have to be
Standing next to me
But you're here
