

Title : Bunga Sayang

Composer : Dick Lee

Lyricist : Dick Lee

In every village by the sea
There stands a tall and ancient tree
That shelters from the sky above
A tree of hope, a tree of love

It shares with us our joy and feels
our pain
It grows with us through sun and rain
It stays so green the whole year
through
And flowers when a dream comes true

Bunga Sayang
Bunga Sayang
You are heaven's own work of art
Bunga Sayang
Bunga Sayang
Gentle flower of the heart
