Verse 1

We look into the mirror and we see ourselves  
But we never see anybody else  
What we don't realise is the fact  
The fact that one of us can change it all

Pre-Chorus

There are those who struggle everyday  
Why don't we play our part today

Chorus

Let's spread some kindness today  
Help those in need and save the day  
We'll never know what we can do  
Till we take a chance today

Verse 2

Compliment someone and make their day  
Or smile at people as you walk away  
An act of kindness can change it all  
So make a change no matter how small

Pre-Chorus

Chorus

Verse 3

A nation of kindness starts with one  
So spread some kindness to everyone  
Let's start running this race today  
And keep it going everyday

Pre-Chorus

Chorus (x2)

YEAH!
