

Title : One

Composer : Fiquetional & Taufik Batisah

Lyricist : Taufik Batisah

(Excuse me miss, listen)
Can we talk for a minute
If it's cool girl I would love to get to know ya
Is that your man or he isn't
Maybe you could be that girl that I've been looking for
Right now
It may not be clear but
Somehow
I'm gonna make clear that
You could be the one
That I would spend my days with
Lady could you tell me

Pre-chorus

Could it be you
Cuz I'm looking for the kind
That will be here in my life
This time around
Who's gonna take my love and believe it
Would never leave me down and conceded
Ladies could you tell me

Chorus

Could you be the one
(To take you home with me)
Could you be the one
(To make me go crazy)
Could you be the one
(Who's made to love)

Only me, cuz I'm about tell you how's it gonna be
I'mma be the one
(To buy you what you what you need)
I'mma be the one
(To give you all of me)
I'mma be the one (To make you feel)
Like there's no one in this world but you

Post-chorus

Ma baby gotta know it, know it, know it
Ma baby gotta show it, show it, show it
Ma baby gotta know it, know it, know it
Ma baby gotta show it, show it, show it

If it's cool with you
Can I try steal you for a minute
Let me show you what and how i'm gonna do it
It's not about the money that i'm getting
Maybe you got all the things that I've been needing
(One)
I need a girl who pays me attention
(Two)
Someone who's gonna show me affection
(Three)
Who's never gonna leave me neglected
I've been and done that never would I want that
