Chorus

Kindness is something that keeps the earth moving  
Make someone's day, make them bright and gay  
Kindness is something that makes the earth a happier place  
It doesn't give you pain to start the chain  
Let's make a harmonious Singapore!

Verse

A frown is easy to spread, everyone can do that  
I challenge you to spread a smile, only takes a little while  
It isn't hard, just reach out to those in need  
Kindness is the key!
