

**Title : Our Beloved Teacher (Teacher's Day)**

**Composer : Abdolah Lamat**

**Lyricist : S. B. Sebastian**

The time has come for us to pledge  
To show our love and how much we care  
Let us be happy, let us be merry  
And wish our teachers  
A Happy Teachers' Day

We're grateful for what you have done  
To our teacher, the beloved ones  
You always lead us on, guiding us along  
We'd like to dedicate this song

**Chorus:**

We want to thank you from our hearts  
We hope that we would never part  
You're always there, when we need you  
Helping us excel and see us through

We need you , to make our future bright  
You help give us, the will the might  
You help to shape, our destiny  
And make us useful to society

Now let us say it together  
And think of our teachers forever  
Let us be happy, let us be merry  
And wish our teachers  
A Happy Teachers' Day
