

Title : Prisoner Of Love (Shoo Be Doo)

Composer : Dick Lee

Lyricist : Dick Lee

The taxi's waiting at the door
And he honks for the second time
While I am slowly going out of my mind
I start descending seven floors
The seven floors that I will later climb
While cursing at how love has made me blind
This blindness that packs my bags for me, and
Throws me in a rage
That pushes me out, then back in the cage.
The cage of love you built me

Chorus

I'm your Prisoner of Love
Oh yes - that's me
Your love prisoner who won't break free
Shoo be doo be doo be doo wah
Shoo be doo be doo
Shoo be doo be doo be doo wah
Doo be doo wah

Don't ever ask me to explain
Heaven knows how I've tried and tried
So now I've simply given up, and in
Don't even think I'm feeling pain
Although, believe me I have cried and cried
I swear that Love can be a Deadly Sin!
So wonderful I keep hanging on though
I'll end up a ruin
So good that I don't quite know what I'm doing
So, someone send an answer

Repeat chorus

I know that I have the liberty to
Walk out if I want
But each time I try to I simply can't
Oh, someone send an answer
Or here I'll stay forever
Happy never after....

Repeat chorus
