

**Title : We Will Get There**

**Composer : Dick Lee**

**Lyricist : Dick Lee**

Remember the days, we set out together with faith?  
Remember the times, so fine, when we thought that  
Nothing could stand in our way?

Then things weren't the same  
The life that we knew had to change  
We've struggled through, the darkest storms  
We thought we couldn't tame

Together we've tried,  
As we stood side by side  
I knew we'd build a new world  
A world of hope for ever after

**Chorus**

Deep in my heart I just know,  
Right from the start, we will grow  
Look where we are, we've come so far  
And there's still a long, long way to go  
With all of my heart, I will care  
I'll play my part, I will share  
With family and friends, together we'll stand  
And in the end, hand in hand  
We will get there

So now we begin, working together to win  
Believing in trust, it must  
Be possible to overcome anything.

There's so much to do  
There's so much we can contribute  
By sharing just a little love  
We will start again anew

So why don't we try? If we stand side by side  
I know we'll build a new world  
A world of hope for ever after

Repeat **Chorus**
