

# LIBRARY DETAILS

## CHENG SAN PUBLIC LIBRARY

### FAST FACTS

---

- Opening Date: 6 March 1997
- Floor Area: 1,467 square meters
- Collection Size: 166,473
- Target Community: Residents in Upper Paya Lebar, Hougang, Sengkang and Serangoon

### KEY HIGHLIGHTS

---

An attractive and brightly coloured entrance encourages library users to peruse these spaces. The library is also designed to have the feel of an art gallery with walls and ceilings that break up the monotonous profile. This helps to create a dynamic spatial experience for visitors.

### COLLECTION HIGHLIGHTS

---

- Cheng San Public Library has a total collection size of 166,473 books, magazines and audio-visual items. The collection includes items from the Adult, Young People and Children's collections and covers a broad range of subjects. All items in the library can be loaned out by library members

### LIBRARY HISTORY

---

Cheng San Public Library was officially opened on 6 March 1997 by Mr Zainul Abidin Rasheed, then-Member of Parliament for Cheng San GRC (Punggol East). In 2013, the library completed a comprehensive upgrading that gave it a new look and increased its seating capacity

### INTERESTING FACTS

---

Attractive children's section is designed around the concept of a garden, and the giant mushrooms are particularly fascinating to the young ones
