

Holiday Specials: Making Your Cute Paper Owl

Materials needed:

- Paper
- Scissors
- Tape
- Googly eyes
- Marker

1. Prepare a strip of paper. You can do so by cutting an A4 paper into two halves lengthwise.

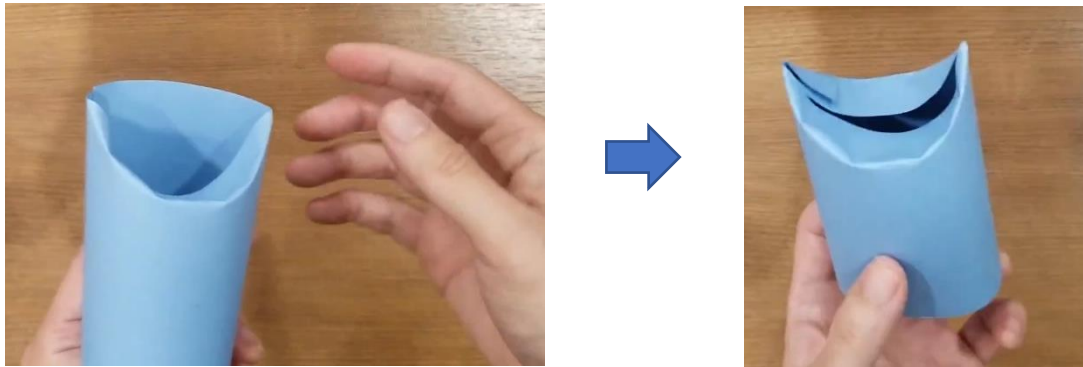

2. Take one half and cut a narrow strip off the end.

3. Roll up the remaining strip of paper into a tube and fasten using sticky tape.

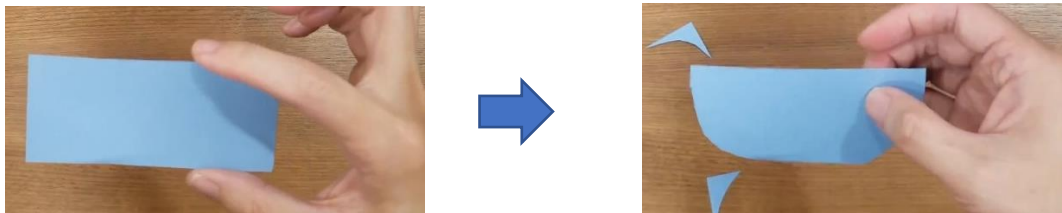

4. Fold down one end of the tube as shown below.

5. Stick googly eyes onto the tube and draw a "V" to represent the owl's beak.

6. Take the smaller strip of paper from *Step 2* and trim both ends as follows.

7. Cut slots on BOTH sides of the tube.

8. Take the smaller strip of paper from *Step 6* and slot it into the tube

9. Decorate the wings using a marker, and there you have it! Your very own owl!
