I am at Pasir Ris Public Library.

Library Etiquette & Safety Precautions

Shout ✗ • Playing • Emergency	
Talk loudly ✗ • Talking outdoors	
Talk ✗ • Talking indoors	
Whisper ✓ • In the library	

Inside the library, I will whisper
and keep my voice down.

I do not want to disturb other people.

I will walk in the library.
I do not want to trip
or hurt anyone if I run.

I must be careful when I'm using library books or other library items.

I cannot tear, fold or step on books because they will be damaged.

Everyone can enjoy the books only if they are not damaged!

**Do NOT climb
on the shelves**

I must not climb on the
bookshelves.

If I climb on the shelves, they may
break off and books will
fall off the shelves.

I do not want to hurt myself if I fall or
when the books hit me.

There will be potted plants like these all over the library.

I shall not play with them or push them over.

If I push the plants, they may topple over and I may break the plant.

I do not want to fall and cut myself on the broken pot pieces.

When using the staircase, I must follow these safety measures:

I shall hold on to the handrail when I am going up or down the staircase.

I will not run, jump or play on the staircase.
I do not want to hurt myself or others.
I shall not lean over the handrail too.

When using the staircase, I must follow these safety measures:

10

I must not stop or wait at the landing area so that I do not obstruct other people.

11

I must not lean over the railings.

I do not want to lose my balance while leaning over the railing and fall down.

If I browse magazines, I must pull out the drawer slowly and carefully.

I do not want my finger to get caught between the drawers because it will be very painful.

I must close the drawers fully.

I will not leave any drawers open in case other people walk into or trip over them.
